Celebrate Graduation	\$550	<p>Recognition awards for students' Celebration Graduation poster entries.</p>
International Training Associates	\$108,000	<p>Developing a pilot program- The Kindness Campaign: It's Cool to be Kind. Seven school districts will be participating in the pilot program during the 2006-07 school year. Working with the entire staff and student body at each site, the program will focus on changing and/or enhancing the learning and social climate school-wide. Program success will be measured by decreasing incidents of teasing, bullying and harassment. A natural side-effect of creating positive change is the enhancement in social and emotional intelligence.</p>
Total	\$306,850
